DISCLAIMER ANND RELEASE

Owner warrants and represents to Genetic Visions, Inc. that he/she is knowledgeable in the field of livestock genetics and is capable of independently evaluating the genetic marker testing procedures, and the results generated by the testing procedures. Owner further acknowledges that the genetic marker testing procedures and the test results generated are only one of many factors to be considered in livestock selection.

Owner agrees that any sample submitted to Genetic Visions Inc. for testing shall become the property of Genetic Visions, Inc. The owner further authorizes Genetic Visions, Inc. to utilize the genetic marker test results and the results of any additional tests performed on the sample in any private or public research. Owner further understands that the test results may be published in connection with such research

In consideration of the testing services to be provided by Genetic Visions, Inc. owner hereby agrees to release Genetic Visions, Inc. and its officers, directors, shareholders, employees and agents from any and all claims, courses of action and liability of every kind, nature and description, whether administrative or civil in nature, and whether for actual or punitive damages, arising out of or related to any act or mission by Genetic Visions, Inc. with respect to the test procedures to be performed or the interpretation of the test results.
